

Rapid City Firearms Association Gun Show Guidelines and Form

We, the Rapid City Firearms Association, would like to extend a thank you for participating and supporting our sponsored gun shows.

The shows are used to support the Rapid City Rifle Club and Junior Division, Inc. That latter organization is affiliated with the Civilian Marksmanship Program, National Rifle Association, SD Shooting Sport Association, UD Shooting Sport Association, US Shooting Junior Olympic Program, and is a state non-profit corporation as well as a registered 501 C. federal corporation. Our goal is to support the Second Amendment and promote the use of firearms in a safe and positive manner.

The Rapid City Rifle Club has been part of the Western South Dakota community for over 30 years and has been involved in supporting gun shows for nearly 20 years. Also, within the last 20 years the club's focus had increased to a youth shooting emphasis; knowing the future of firearms depends on the younger generation being trained in the safe use and familiarity with all firearms as well as the instruction and focus of safety for the young shooter. The club sponsors pellet and .22 training proficiency with both pistol and rifle resulting in many advancing to Olympic training.

We feel it is extremely important to preserve these values; and our contribution towards preserving this is to get the youth involved. They will follow in our footsteps and keep the shooting sport alive for generations to come as well as our right to ownership.

There are adult pistol leagues available and occasional outdoor rifle competitions. We have been honored to have the Lady's Shooters come under our umbrella as an avenue to introduce women to firearms and the safe operation of said tools. They have several sold out training sessions every summer with the courses being taught by NPA instructors and plenty of range time. Times and dates will be posted after scheduling has been cleared by the SDNG.

Please check your packet for (2) badges (additional available for \$1.00), tax forms, and registration for future shows.
