Our primary goal is youth and adult education in support the Second Amendment and to promote the safe use of firearms in a positive manner with ethical hunting in mind.

RC Rifle Club is affiliated with the Civilian Marksmanship Program, National Rifle Association, SD Shooting Sport Association, and US Shooting - Junior Olympic Programs. We have operating education and competitive shooting sports in Western South Dakota community for over 35 years. Club Members participated in adult pistol leagues, outdoor rifle competitions and have supported the Lady's Pistol Shooting events.

In the last 30 years the club's focus was towards youth marksmanship. We realize the future of firearms depends on the younger generation being trained in the safe use and familiarity with all firearms. We feel it is extremely important to preserve these values; and our contribution towards preserving this is to get the youth involved. They will follow in our footsteps and keep the shooting sport alive for generations to come as well as our right to ownership.

Future marksmanship events will be conducted at the SD GFP Lein Outdoor range north of Rapid City once it is operational. Times and dates will be posted on our web page once they are scheduled.
